Business product prices exclude VAT. Broadband requires a standard BT line and is subject to survey and availability. Minimum 12 month term required. Minimum computer specification applies. Terms and conditions apply.

[†] One mobile broadband E170 USB Datastick per connection available to new and existing BT Business Total Broadband customers taking 12 or 24 month minimum term contract on Option 3. Opt-in required. A charge of £12.50 a month for mobile broadband will apply after the minimum term. Unlike the BT Mobile Broadband standalone product, monthly usage limits apply: Data Usage Allowance - 1 Gb; BT Openzone Minute Allowance - 2000 minutes. If exceeded charges apply: 10p per extra MB data usage; 10p per extra wi-fi minute (£40 per month cap applies). Unused allowances cannot be rolled over to the next month. Cannot be used in conjunction with any BT offer. BT's standard terms and conditions for the relevant service will apply.

1. 20Mb speeds subject to various factors including local availability, line test and distance from exchange. If your line won't support up to 20Mb download speeds, we'll offer the best available speed on your line. Conditions apply.

2. Subject to line test. If your line won't support 20Mb, BT will offer the best available speed for your line.

3. 0800/0844 business number available to New BT Business Total Broadband customers or existing customers who re-sign or upgrade to BT Business Total Broadband. Limited to one 0800 or 0844 number per customer. Basic service only. BT line required. Subject to BT's standard Conditions

4. The unlimited BT Mobile Data and BT Openzone Wi-Fi minutes are subject to a fair use policy. Under the fair use policy if your BT Mobile data usage exceeds 3072MB of BT Mobile data (GPRS/3G/HS-PA networks) sent and received per connection per month or 4,000 BT Openzone Wi-Fi minutes per connection per month, we may ask you to moderate your usage. If you fail to do so, we may suspend or terminate the agreement or move you to a more suitable tariff.
