

Enjoy unlimited Local and National UK¹ calls over BT Business Broadband!

BT Broadband Voice Plus² enables you to really make the most of your BT Business Broadband

You could save money and hassle with our new Broadband Voice Plus package, which allows you to make and receive calls over your BT Business Broadband line. For a set monthly fee, you'll benefit from unlimited Local and National UK¹ calls, plus you'll pay no more than 25p for up to an hour on calls to most UK mobiles.³

Enjoy unlimited local and national UK¹ calls over BT Business Broadband!

Benefits for your business

- **Cost effective** - free connection and just £14.99 per month⁴ for the first three months (£19.99 thereafter).
- **Great value** - unlimited local and national UK calls¹ for up to an hour; calls to mobiles³ cost just 10p a minute and no more than 25p for up to an hour.
- **Greater flexibility** - miss fewer calls with an extra 'virtual' line with its own number for no extra cost (like having an additional phone line)
- **Higher productivity** - benefit from an inclusive range of calling features to help you manage your business more effectively, including Call Waiting, Caller Display, BT Answer 1571 and Outgoing Call Barring.
- **Budget more effectively** - by reducing uncertainty about your bills with capped call rates.

To take advantage of BT Business Broadband Voice Plus, all you need is a BT Business Broadband line.

BT Business Broadband

- **Cost effective** - free connection and easy set-up. You can enjoy high-speed connectivity from just £19.99 per month for the first three months.⁵
- **Secure** - business-grade security including e-mail anti-virus and anti-spam protection, plus an integral firewall.

- **Fast** - speeds of up to 8Mb broadband⁶ available in a limited number of areas - visit www.bt.com for details.
- **Supported** - a helpdesk is available 24x7⁷ to assist with your broadband service.
- **Easy to switch to** - already got broadband from another supplier? Just request a Migration Authority Code (MAC)⁸ from them and we will do the rest.

We're confident that once you've tried BT Business Broadband and BT Business Broadband Voice Plus, you'll never look back - in fact if you don't feel the services have been beneficial to your business, you can cancel your contract at three months.⁹

You could save time and money - with BT Business Broadband Voice Plus

This is just one of a vast range of BT products and solutions which can help make your business more effective. Whether you want to trade online, make your home and office workers more productive, increase the security of your data, relieve the stress of managing your systems or just make your IT and communications work harder, BT has a solution to meet your needs.

1. Applies to numbers beginning 01 or 02, excluding Channel Islands or Republic of Ireland. Up to an hour per call. After one hour, calls will be charged at 3.5p per minute (ex VAT). Abuse policy applies. 2. Activated BT Business Broadband service and telephone adapter also required. Calls will not count towards a BT Business Plan minimum spend. Abuse policy applies. 12 month minimum term. The quality of the reception on the phone line may not match that of a normal landline and may vary depending on Internet traffic and customer usage. Terms and conditions apply. 3. Pence per minute rates apply after 60 minutes. Applies to calls to number ranges owned by the four main mobile operators only. Certain mobile numbers (e.g. original 3G numbers) excluded. 4. Offer ends 28.07.06. Full price £19.99 per line per month. Connection cost normally £40 per port. The Business Broadband Voice service is subject to BT's terms and conditions for this service, which are available at www.bt.com/business/broadbandvoice. 5. Offer ends 28.07.06. Activation required by 31.08.06. You will be charged the discounted amount or a credit will appear on your bill. Full price £21.99 from month 4. Subject to availability and survey. 12 month term applies. Minimum computer specification applies. Router required at extra cost. A BT line or similar non-cable line is required. 10Gb usage limit applies. See www.broadbandoffice.com/broadband/termsandconditions for offer terms and conditions. 6. Up to 8Mb BT Broadband is subject to availability and survey. 'Up to 8Mb' refers to maximum download speeds only (upload speeds are slower). If your line won't support 8Mb, we'll offer the best available speed on your line. Availability of 8Mb speed is subject to various factors, e.g. distance from exchange and line test. BT Business Line required. 12 month minimum rental will apply, starting from the date of your upgrade. Minimum computer specification applies. Usage allowances apply to BT Business Broadband Lite. Terms and conditions apply. 7. Calls are charged at 3.36ppm (ex VAT) on the BT network. Mobile and other network costs may vary. 8. Not all Internet Service Providers have opted into the MAC process. All speeds quoted are 'up to' and not guaranteed. Subject to line survey and acceptance of terms and conditions. A change of service provider does not buy out any term contract you may have with your current supplier. 9. Option to cancel within 90 days of activation. Minimum 90 days fees payable. If your order is not cancelled within 90 days, a 12 month minimum term applies.
